UNINSURED MOTORIST BODILY INJURY COVERAGE INFORMATION

Uninsured Motorist Bodily Injury Coverage (UMBI) compensates insured persons for amounts that they are legally entitled to collect as damages from an owner or operator of an uninsured motor vehicle. The laws of Missouri require that your automobile liability policy contain Uninsured Motorist Bodily Injury protection of at least \$25,000 for any one person caused by any one accident and at least \$50,000 for two or more persons caused by any one accident.

You may select UMBI up to the bodily injury liability limits on your policy.

Uninsured Motorist Coverage does NOT provide coverage for property damage.

I select the minimum UMBI limits of \$25,000 per person and \$50,000 per accident. There will be a premium charge of \$25 per unit for this coverage.
