Nebraska law permits you to make certain decisions regarding Uninsured/Underinsured Motorists Coverage. This document briefly describes these coverages and the options available.

You should read this document carefully and contact us or your agent if you have any questions regarding Uninsured/Underinsured Motorists Coverage and your options with respect to these coverages.

This document includes general descriptions of coverage. However, no coverage is provided by this document. You should read your policy and review your Declarations Page(s) and/or Schedule(s) for complete information on the coverages you are provided.

Uninsured/Underinsured Motorists Coverage provides insurance protection to an insured for compensatory damages which the insured is legally entitled to recover from the owner or operator of an uninsured motor vehicle or an underinsured motor vehicle because of bodily injury caused by an automobile accident. Also included are damages due to bodily injury that result from an automobile accident with a hit-and-run vehicle whose owner or operator cannot be identified.

Your policy must include Uninsured/Underinsured Motorists Coverage at limits equal to split limits of \$25,000 for each person/\$50,000 for each accident, UNLESS you select optional higher limits.
