Delaware law permits you to make certain decisions regarding Personal Injury Protection (PIP) Coverage deductibles. This document describes the deductible options available.

You should read this document carefully and contact us or your agent if you have any questions regarding Personal Injury Protection Coverage and your options with respect to this coverage and related deductible options.

**REJECTION OF UNINSURED MOTORISTS COVERAGE  
OR SELECTION OF HIGHER LIMIT OF LIABILITY  
(Delaware)**

The Delaware Insurance Code (Section 3902), amended, permits you, the insured named in the policy, to reject the Uninsured Motorists Coverage or to select a limit for the bodily injury liability portion of such coverage which is higher than the minimum financial responsibility limit but not more than the limit for Bodily Injury Coverage in the policy or \$100,000 each person/\$300,000 each accident (\$300,000 each accident if written on a single limit basis), whichever is less. Uninsured Motorists Coverage provides insurance for the protection of persons insured under the policy who are legally entitled to recover damages from the owners or operators of uninsured or hit-and-run motor vehicles because of bodily injury, sickness, disease, including death, or personal property damage resulting from the ownership, maintenance, or use of such uninsured or hit-and-run motor vehicle.

Uninsured Motorists Coverage includes coverage for bodily injury or death which an insured or his legal representative is legally entitled to recover from the driver of an underinsured motor vehicle. An underinsured motor vehicle is a vehicle for which there may be bodily injury liability coverage in effect, but the limits of bodily injury liability under all bonds and insurance policies applicable at the time of the accident are less than the damages sustained by the insured.

In accordance with the Delaware Insurance Code (Section 3902), amended, the undersigned insured (and each of them)—

**(Applicable Item marked “X”)**

- agrees that the Uninsured Motorists Coverage afforded in the policy is hereby deleted.
  
- agrees that the following higher limit of bodily injury liability applies with respect to the Uninsured Motorists Coverage afforded in the policy:\*

\$                    each person (enter limit if applicable);

\$                    each accident.

\*Limit(s) in excess of \$100,000/\$300,000 (\$300,000 single limit) may be selected if permitted by the insurer’s rating plan or rules, but such limit(s) cannot exceed the limit for Bodily Injury Coverage in the policy.

This endorsement must be attached to the Change Endorsement when issued after the policy is written.
